About Samarika

Samarika Steel Engineers is a stainless steel commercial kitchen equipment manufacturer based in Mehsana, Gujarat, India. Since 1989 we have designed, manufactured, installed and maintained kitchens for the HO-RE-CA sector (hotels, restaurants and catering), industrial canteens, institutions, dairies and food plants across India.

From a single fabrication workshop, the business has grown into a complete kitchen solutions company led by Mr. Dilip Panchal, a third-generation entrepreneur. Our 20,000 sq ft works processes about 30,000 kg of stainless steel a month on CNC laser cutting, CNC bending and laser welding machines.
